## EDUCATION

### 2020- Portland State University Present

Present Student with 3.84 GPA in CS, receiving a Bachelors of Computer Science by August 2022

### 2017- Mt. Hood Community College 2020

Associate of Computer Science

## EXPERIENCE

### Summer 2021- Present MULTNOMAH COUNTY SOFTWARE DEVELOPMENT INTERN

- Working on multiple projects with existing code, implementing user stories and bug fixes
- Developing a C# web application in a .NET framework using a micro services database for a back end
- Gaining experience in using Microsoft Azure and Azure DevOps
- Working with the QA department on testing

### 2014- 2021 FEDEX GROUND OPERATIONS MANAGER

- Communicated productivity expectations and goals in multiple settings, ranging from one on one to leading meetings of large groups
- Managed a team of 15-40 people on a daily basis, having them load/unload trailers on a dock that averaged 6,000 packages per hour
- Organized and executed the dispatch of trailers to various stations around the country
- Ran the building's control room, monitoring a conveyer system around 15 miles long while also focused on hitting productivity goals for the building
- Trained package handlers and trainers by tracking progress on multiple metrics over several weeks for each individual employee
- Tracked attendance for roughly 300 employees, handling terminations and other follow ups

### 2010- 2014 FEDEX GROUND PACKAGE HANDLER

- Loaded/unloaded vans and trucks
- Worked in our Alaska/Hawaii shipping department, making sure packages were compliant with TSA standards
